Opening up a Blue Ocean Market in the Red Sea

Fontec

In terms of distribution, Fontec hopes to earn global publicity and more purchase orders through the Internet and fasteners trade shows in Europe and America. "Fontec is characteristic of its emphasis on clients' consuming experience and overall satisfaction!" Lance Lin said proudly. Fontec's devotion includes long-term and beneficial cooperation with globally renowned importers and buyers, client satisfaction and loyalty elevation, implementation of sophisticated machinery and inspectors, and upgrade of product bi-values, with an aim to pioneer the company's blue ocean among price cut competition of China and Southeast Asia.
